

Yes we have anything you wish. Listen! **MEN!** Furnish your body and make it fit to live in. Why not enjoy Life?

We invite discriminating dressers to buy their furnishing goods from us once. Our tasty hose and ties, our happy feeling underwear and our ample shirts will invite them to come again every time they need any furnishings.

Be shy in only one spot and your whole "shine" is knocked off. A faded pair of socks, a worm out necktie, a broken collar, a torn shirt or a greasy hat will spoil the appearance of a fifty dollar suit of clothes.

You will feel good and look good and "make good" in our good-feeling, good-looking furnishings.

MENDON

To the front once more since the mud turned us loose. We do appreciate the pretty days that come.

Not much going on in the farming line yet. The women folks have not set many hens yet. Young chickens at Easter are going to be very scarce this year.

Mrs. Grissom spent Tuesday evening with Mrs. Fernaut Worm.

Grandpa Bremer died Monday at his home in Freistatt. Funeral Wednesday afternoon at Freistatt.

Henry Matlege has taken a relapse and is quite poorly again.

Harry Oddenbrink returned Tuesday from Kansas where he went with his daughter, Mrs. Frank Felwick.

John Benbrooks is not expected to live many days.

D. S. Shaw's brother and wife of near Purdy spent Saturday and Sunday with him, returning home Monday.

Peter Zinn is very poorly. No presence of mind at all. It is not thought that he will live long.

Frank Hunnel is so as to get outside once more.

Otto Schoen's family have about all recovered from pneumonia.

Walter Davis is traveling right along with his new house these pretty days.

Now what they say is listen for the wedding bells again.

From all indications the school meeting is going to be a hot contest this year.

Henry Huercamp is moving back to his old place.

Talk about being behind with spring work, just step over north and that is neighborhood talk.

Well it will soon be time to pick Violets. We wonder if they will appear again. And poor old Nix. I do believe he has gone to the north pole.

Good luck to all.

MR. NOBODY.

RESULTS THAT REMAIN

Are Appreciated by Monett People

Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one kidney medicine that has earned a reputation for lasting results and there is plenty of proof of its merits right here in Monett.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now makes her testimony even stronger.

Mrs. L. N. Swartzel, Bond and Fifth Streets, Monett, Mo., says: "Doan's Kidney Pills rid me of kidney and bladder trouble some years ago and I have not been bothered since. There is no praise too great for this remedy." (Statement given September 30, 1911.)

On December 4, 1906 Mrs. Swartzel gave the following statement: "For years I was troubled by disordered kidneys and pains in my back. I had a poor appetite and always felt tired. An acquaintance advised me to try Doan's Kidney Pills and I obtained a supply. It did not take them long to bring relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Quality Lumber Means Economy

these days because it eliminates a lot of hard hand work on the part of the carpenter and enables him to do a larger day's work. Particularly is this true of our finishing lumber and flooring, and by having it smoothly dressed right at the mill, where they are equipped with machines that permit of a speed of 200 lineal feet a minute, the best results are obtained at the minimum cost. There are a lot of new wrinkles used these days in the manufacture of lumber that bring the actual cost of house erection down to rock bottom, and the effects to be gained by the use of different woods are almost wonderful. If you're thinking of building we want to show you these things.
